As you can see, your gift in any amount matters a great deal! Ultimately, it's not the size of the gift that matters most; it's the amount of sacrifice involved and the heart with which the gift is given. So, what is the sacrificial gift that you and your family can bring to the **MORE BLESSED** Special Offering that would please God and stretch your faith? Pray to Jesus and respond to what He lays on your heart. Give the gift joyfully!
